Abstrak

Keterampilan dalam penulisan karya ilmiah merupakan salah tuntutan yang harus dimiliki oleh setiap guru. Hal ini sangat berkaitan dengan salah satu persyaratan bahwa untuk mengusulkan kenaikan pangkat dan golongan setiap guru harus melaporkan karya ilmiah yang sudah dilakukan. Khusus bagi guru-guru SMP di Kecamatan Paliyan Gunung Kidul, penulisan karya ilmiah masih menjadi kendala bagi mereka. Kegiatan pengabdian kepada masyarakat ini berupaya untuk membantu mereka dalam penguasaan penulisan karya ilmiah, dalam penelitian survei. Kegiatan ini bertujuan 1) terlaksananya pengabdian berupa pelatihan penelitian survei bagi guru-guru di kecamatan Paliyan kabupaten Gunungkidul dan 2) terlaksananya pengabdian berupa pendampingan penelitian survei bagi guru-guru SMP di kecamatan Paliyan kabupaten Gunungkidul.

Peserta pelatihan adalah guru-guru SMP se Kecamatan Paliyan sebanyak 75 orang dengan rincian 51 orang dari SMP Negeri dan 24 berasal dari SMP swasta. Kegiatan pelatihan dilaksanakan tahap demi tahap yakni: 1) tahap persiapan administrasi dan penyampaian informasi, 2) tahapan presentasi dan diskusi materi, 3) tahapan pelatihan kelas dan pendampingan, 4) tahapan pembuatan proposal mandiri pendampingan, 5) tahapan review proposal mandiri, 6) tahapan revisi dan penyerahan proposal mandiri, dan 7) tahapan evaluasi program kegiatan. Untuk mengetahui keberhasilan kegiatan dilakukan analisis secara deskriptif.

Hasil kegiatan pelaksanaan program pengabdian kepada masyarakat ini adalah sebagai berikut: 1) kegiatan pelatihan penelitian survei bagi guru-guru SMP Kecamatan Paliyan Gunung Kidul terlaksana dengan baik yang ditunjukkan dengan tingkat partisipasi kehadiran peserta dan 2) kegiatan pendampingan dalam membimbing para guru membuat proposal penelitian survei terlaksana dengan baik yang ditunjukkan dengan jumlah proposal yang dihasilkan mencapai 80% dari peserta pelatihan. Saran dari peserta agar LPPM UNY dapat mengupayakan penelitian bersama antara dosen dan guru.
